*from the editor...*

I want to take this opportunity to thank all of those that volunteer there time and effort for something that they believe is worth while. Our Post Home and Canteen will continue to need your support

I also want to introduce the first "draft" version of our Post newsletter. I need YOUR input as to what information you would like to see in it. I will post articles, pictures, and other stuff as it is sent to me. I am also prepared for the criticism that it may spark from some, and I ask you up front to help me make this a great product that you, and others like you, will read and enjoy. I am NOT a professional editor in any shape, form, or fashion, nor do I claim to be. I am about as amatuer as they get, but I want to help out our VFW Post any way I am able.

Have a safe and enjoyable Independence Day , and I look forward to reading your comments for future pages.

Yours in Comradeship,

Bobby Gage

**COMMANDERS CORNER-** (this is not from the Commander, by the way, I am just trying to fill in blocks that we would normally use ☺.... ed)

.....I would like to be able to post comments from the Post Officers throughout our newsletter.

..... Or we can just add a list of the post officers.....

..... Or just an article from the post

.....

What can I say, besides “THANKS” for those that attended the June meeting. We had many new faces in attendance, including a new member that joined as we were about to lock the door. I also want to thank those that were away in Thailand attending the Area Convention, that made sure that we would have enough members here for me to conduct my first meeting as they new the Commander would also be out of town. All in all I believe that we are going to have a good year together. We should have no problem recruiting new members with all of the great ideas that we have for the Post and Canteen.

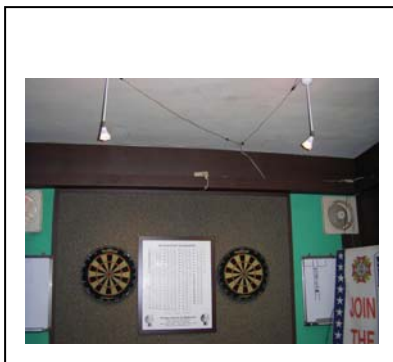

The “rooftop barbeque” is sure to be a hit, and I believe it will be a continuous thing on the agenda. It would be even better if everyone could bring someone to sign up while we eat and socialize together.

Yours in Comradeship,

Bobby Gage

### ***Community Projects.....***

Ideas have been flowing like crazy lately for things we can do to better our community. WE NEED YOUR INPUT! After your input, we need your support!
